NOTES

mb [make bobble]: *[Yo, k1] three times in the same stitch; turn work so wrong side is facing you and slip 1 purlwise, p5; turn work so right side is facing you and slip 1 purlwise, k5; turn work so wrong side is facing you and [p2tog] three times; turn work so right side is facing you and slip 1 purlwise, k2tog, pass the slipped stitch over. (If you've never made a bobble, you may find our 5 Stitch Garter Bobble Tutorial helpful. The details are not exactly the same but the concept is!)

You always make the bobbles on a right side row.

If you wish to modify the pattern, be sure to cast on a multiple of 6 stitches plus 5. For example, $6 \times 10 = 60$, plus 5 = 65.
